

Video: Official One Vanderbilt Construction Timelapse Movie

By Paul Dubey June 9, 2021

[EarthCam](#) has been working alongside SL Green Realty Corp. for over six years to showcase footage of another incredible addition to the NYC skyline. One Vanderbilt, Midtown's tallest commercial tower completed construction in late 2020. Eight webcams and almost 2 million images were used to deliver this timelapse movie. Watch this luxurious skyscraper earn its place as a 'shining beacon' on the New York City skyline!
