## Links to Webcams Around the World

Friday, January 25, 2008

[THE NEW FOXNEWS.COM WEB CAM](#) — Take a look outside our newsroom windows for a live glimpse up 6th Avenue in the Big Apple.  
[Swiss Alps](#) — great live image (center of page) and archived shots  
[Old Faithful](#) — Time it just right and you'll get a great shot from Yellowstone  
[Seven Mile Beach, Grand Cayman](#) — if you're frozen in the Midwest or Northeast, prepare to be depressed... very depressed, courtesy of Phillip Terzo  
[Positano, Italy](#) — INCREDIBLE images, submitted by Gina Paz  
[Mt. Foraker, Mt. Hunter, Mt. McKinley](#) — Three of North America's highest peaks, courtesy of John Sullivan and Talkeetna Air Taxi  
[Pismo Beach, California](#) — view from the historic PB Hotel  
[Paris](#) — another wonderful cam, submitted by Rick and Cindy Earnest  
Click here for a view of [The Panama Canal](#).  
From California, here are live images from [Ventura Beach](#).  
Diyarbakir, [Turkey](#) and a link to a variety of live images from cams in Turkey.  
Elsewhere, check out the [Great Pyramids](#) of Giza;

Here are some links for [Times Square, New York City](#) ...  
check out this view from atop the [Morgan Stanley](#) building; this is from the roof of the [Doubletree hotel](#); this is a ground-level shot from [Charley O's](#); here's a bit of blatant self promoting look at the [jumbo screen](#); and, get up close and personal, if you dare, with the good folks near the [Hawaiian Tropic Zone](#).

Here are some other cams around the world:

[Florida Keys](#) — be sure to click on the bar cams and watch people acting like their having a good time (and you get to listen to the band without having to pay the cover)

[San Juan Islands](#) — Washington State, submitted by staff.

[Sekiu, Washington](#) — FINALLY, we should have the right link up there, courtesy of our FOXNews friend Sandy. Thanks for you patience!

[Mt. Rushmore](#) — A couple of links here, one that says it refreshes often but I'm looking at it at 11:20 p.m. EST and the sun is shining, so you decide... submitted by Shane Penfield; the other is a state department of tourism camera that works... then doesn't, but give it a try. Thanks, Shane!

[Virginia City, Nevada](#) — ah, I remember my '60s Westerns and the ol' "stagecoach from Virginia City," submitted by Jacquie Obos

[Maui](#) — Another "please take me" destination, as I write this with a nor'easter pounding the rooftop... submitted by Rob Latzko

[Sawtooth Mountain, Idaho](#) — Finally, someplace that looks like it really is having winter... submitted by Dave Stewart

[Empire State Building](#) — Once you register you're treated to some great live images from atop the most famous building in the world, sans Kong... submitted by staff, along with these:

[Statue of Liberty](#)

[Ground Zero](#)

[United Nations headquarters](#)

Here are some airport cams, since they've been among the most requested:

[JFK Tower](#) (and this link isn't a Webcam, but it's a sweet look at JFK radar — following the planes!)

[Philadelphia](#)

[Hamburg](#)

[Sydney](#)

[Salzburg](#)

[The "Saentis" in Switzerland](#)

[Vienna](#) — I love this cam... good controls

[Zurich](#) — An even BETTER cam, with even BETTER controls. The [CLICK HERE](#) for panorama shots, all courtesy of Wilfried Wiher
