

KDOT Puts Earhart Bridge Progress Online New Bridge To Be Complete In Fall 2011 **October 30, 2009**

KANSAS CITY, Mo. -- The Kansas Department of Transportation launched a webcam Friday featuring pictures of the new Amelia Earhart Memorial Bridge construction in Atchison.

The images on the [webcam](#) will refresh every 15 minutes.

Click here to view the [camera](#).

The new four-lane bridge will replace the existing two-lane structure, which was completed 1938, is too narrow to handle larger truck loads and farm implements.

The bridge is scheduled to be complete in the fall of 2011.
