The "Minneapolis Cam" is located at the Financial Freedom Realty Sales Center in the heart of Uptown at the corner of Lake Street and Hennepin Avenue, a premier retail and entertainment destination in the Minneapolis-St. Paul community. It picks up the action 24 hours a day at Calhoun Square and at one of the busiest intersections in the state of Minnesota.

Uptown is a high-energy district with an eclectic array of bars, restaurants, shopping, coffee houses, grocery stores, professional offices, theaters, trails, parks, houses and condominiums. Uptown sits alongside two of Minneapolis's 22 lakes and offers recreational opportunities for biking, jogging, windsurfing, sailing, canoeing, fishing, swimming and rollerblading.

In addition to being one of the busiest urban business commercial districts in the Twin Cities metropolitan area, Uptown is the home of the Uptown Art Fair. This nationally-recognized fine arts festival attracts over 300,000 people during a three-day weekend every August.

The Minneapolis Uptown Webcam on the Earthcam.com Web site features a 24-Hour Archive playback with advanced VCR type slider controls, Hall of Fame images, and the ability to save and email snapshots. Users can also submit their own Hall of Fame images to the gallery for viewing by others. Local weather information and time for Minneapolis is also included.

Financial Freedom Realty is a boutique real estate company that was founded by dynamic young real estate entrepreneur Clark Gassen in 2003 to meet the needs of Twin Cities' home buyers and sellers as an alternative to corporate real estate. Mr. Gassen has been featured in the New York Times and other publications. (<http://www.clarkgassen.com>)
