

See the Papal Visit Live on EarthCam

By Stephanie Crist

September 24, 2015 5:09 PM

Pope Francis is causing a wave of goodwill, and massive crowds wherever he goes on his first visit to the United States. We only wish he could come to Louisiana for some gumbo and Cajun hospitality!

If you have not made plans to travel to see the Pope, then you can see the remainder of his visit live on [EarthCam](#) – how awesome is that?!
