

St. Paddy's Day: Earth Cam Over Dublin

March 17, 2015 - Tuesday 7:07pm

Hello everyone. It is I: Croutons. I haven't been around much and I apologize. But I am here to wish you a Happy St. Patrick's Day. Or Paddy's Day. Or whatever people want to call Irish American Stereotype Day.

So please, enjoy this EarthCam camera of Dublin's Temple Bar and have a drink while you listen to the sweet sounds of fighting, football chants, women yelling, and way too many damn people on the street.

I will be celebrating by being terribly sober (thanks to my doctor prescribing me antibiotics for the worst time ever) and eating corned beef and cabbage. Maybe I'll be really Irish American and make Reubens. I'm also deciding between watching *The Quiet Man* and *House of Cards*.
