

Travel Webcam of the Week: Las Vegas Sign

Johnny Jet - March 14, 2016

The screenshot displays a live EarthCam stream of the 'Welcome to Fabulous Las Vegas' sign. The interface features a top navigation bar with 'EarthCam' and 'LAS VEGAS CAMS' branding. A 'LIVE' indicator is present in the top left of the video frame. The video shows the sign at night, with a temperature of 61°F and 'A Few Clouds' in the top right. Below the video, there is a metadata section showing the date 'March 25, 2016' at '7:09 am' and '7136 Likes'. A navigation bar includes thumbnails for 'Las Vegas Sign', 'Wedding Chapel', 'Bellagio', 'Las Vegas, NM', and 'Vinita, OK'. A 'RELATED CAMS' section is also visible. On the left side of the interface, there is a vertical sidebar with a neon sign of a showgirl and the word 'GLITTER'. On the right side, there is another vertical sidebar showing a night view of a Las Vegas building.

Las Vegas Sign (earthcam.com/usa/nevada/lasvegas/?cam=sign_hd)

Arguably, one of the most famous city signs in the world is the "Welcome to Fabulous Las Vegas, Nevada!" The sign sits at the entrance of Sin City and thanks to this live, HD, streaming webcam, you can view the sign 24/7.
