Our webcam on Genoa in direct streaming at high definition is enjoying international success. It was in fact awarded by the most visited webcam site in the world, [Earthcam](#), among the 25 most interesting webcams of 2018.

The selection of the 25 most beautiful webcams in the world, which has been happening for 20 years, takes place among thousands of webcams all over the world and is awarded on the basis of the quality of the images, originality, contents and cutting-edge technology used .

Our webcam, the only one streaming in Genoa, high definition and with a powerful zoom, is set to frame different points of the city every 15-30 seconds, allowing visitors from all over the world to be able to admire h24, even in night mode:

- The sea beyond the breakwater (to check the wave conditions live)
- The Biosphere and the Genoa Aquarium
- The quay of Marina Molo Vecchio with the mega yachts moored
- The roofs of the alleys of the historic center
- The commercial entrance to the port (with the Portofino mountain in the background)
- Genoa Airport (with the Ligurian Apennines in the background)
- Glimpses of the Sopraelevata

The webcam can also be seen in full screen: just click the small icon at the bottom right of our Liguria Nautical logo. We just have to wish you a good vision ... live streaming!
