

**Panama Canal expansion: Five years in two minutes (VIDEO)**

Dec 12, 2016 09:20 AM

*A time-lapse video from EarthCam captures the entire project*

(PANAMA CITY, Panama) — To commemorate the opening of the Panama Canal expansion this year, [EarthCam](#) released this time-lapse movie, showcasing construction progress from March 2011 to June 2016. Progress was documented by EarthCam's robotic cameras from 142 angles. To view the video, [click here](#).
